Description :

Présentation de l'auteur Practice For Perfection is the key to success when learning French. The language itself is easy to learn and to assimilate since it is an organized language that does not require the memorizing of an endless number of expressions or idioms. French is endowed of a set of rules that are easy to follow and apply. In this book, we have addressed subjects that will assist you in conjugating verbs, using nouns, pronouns, adjectives and adverbs and in constructing sentences. We have also touched on subjects that may be of interest to people who intend to move to or to do business with France. The topics of Business French and Legal French are broached adequately for a new comer to the country. Throughout the book, we have chosen a series of sentences and expressions used in the day-to-day life of a French-speaking person. Whether you wish to apply for a job, to reside or to do business in France, you'll find your basic answers in this book. Self Immersion is the learning method we advocate in this book which is a learning system that

does not require the assistance of anyone but your good self and your brain. We encourage you to keep it simple and have fun learning French!
