## Description :

Prsentation de l'diteurThis is a true story of Les Sinclairs remarkable 6 month turn-around to eliminate cancer from his body. He chose anti-cancering alternative methods that cost just PENNIES A DAY. While experiencing excruciating intestinal pain, he admitted himself to a local E.R. After a laparoscopy surgery to remove the blockage - a tumor, he learned that he had a Large B Cell Lymphoma. He didnt like the sound of LARGE nor LYMPHOMA.His oncologist recommended chemotherapy. He had already experienced the CUT (surgery), he made a choice not to undergo the BURN (radiation) and POISON (chemotherapy). Besides, at 73 years of age, he still has a full head of hair and vainly wanted to keep it that way.His intention is to share his experience (sometimes humorous) about combatting Cancer, and to wake people up to take charge of their own healing. He only had a Plan A. Alternative therapy. It worked for him. His Credo is: I am alive now. As long as I support my life urges with anti-cancerous food, supplements, liquids and life
