Description : Description du produitComplete text and 23 new illustrations of the adventures of the mischievous little bunny.

Prsentation de l'diteurThe story of a family of rabbits, composed by the mother and three daughters and a rebellious son Peter. They are forbidden from entering a vegetable garden grown by a man named Mr John McGregor whose wife had baked her deceased husband into a pie. Peter defies his mother by trespassing into the garden to snack on some vegetables... Book illustrated with beautiful Potter's watercolors..comThe quintessential cautionary tale, Peter Rabbit warns naughty children about the grave consequences of misbehaving. When Mrs. Rabbit beseeches her four furry children not to go into Mr. McGregor's garden, the impish Peter naturally takes this as an open invitation to create mischief. He quickly gets in over his head, when he is spotted by farmer McGregor himself. Any child with a spark of sass will find Peter's adventures remarkably familiar. And they'll see in Flopsy, Mopsy, and Cotton-tail that bane of their existence: the "good" sibling who always does the right thing. One earns bread and milk and blackberries for supper, while

the obstinate folly of the other warrants medicine and an early bedtime. Beatrix Potter's animal stories have been a joy to generations of young readers. Her warm, playful illustrations in soft colors invite children into the world of words and flights of fancy. Once there, she gently and humorously guides readers along the path of righteousness, leaving just enough room for children to wonder if that incorrigible Peter will be back in McGregor's garden tomorrow. (Ages Baby to Preschool)ExtraitOnce upon a time there were four little Rabbits, and their names were - Flopsy, Mopsy, Cotton-tail, and Peter. They lived with their Mother in a sand-bank, underneath the root of a very big fir-tree.
